Purpose of the proposal and its anticipated effects, including any changes in existing rules: As authorized in Second Substitute Bill 5555 (68th Legislature, Regular Session), the agency is revising Chapter 182-115 as follows:

- Peer counselors may provide Medicaid-reimbursable peer services only through December 31, 2026
- The rules include requirements for peer counselor supervision, credentialing, and service locations.
- The rules provide that certified peer specialists will supersede certified peer counselors on January 1, 2027.
- The rules repeal WAC 182-115-0200, which provides for peer counselor application, training, examination, and approval.

In Chapter 182-116, the agency is making some housekeeping changes. The rules also clarify that a person who passes the agency's examination receives a letter stating that they have met the training requirements to apply for a certified peer specialist or certified peer specialist trainee credential.

If any portion of the proposed rule is **not exempt**, does it impose more-than-minor costs (as defined by RCW 19.85.020(2)) on businesses?

☒ No Briefly summarize the agency's minor cost analysis and how the agency determined the proposed rule did not impose more-than-minor costs. This rulemaking implements 2SSB 5555, Chapter 469, Laws of 2023, addresses the behavioral health workforce, and expands access to peer services by creating the profession of certified peer specialist. The Authority worked within the limits of the legislation to make it the least burdensome to the current and future workforce and the providers of peer services and has made every effort to reduce disproportionate impacts on these providers. The Authority created options for the free required training, including a fully virtual option, as well as expedited training through an online learning management system. The Authority therefore concludes that these rules do not impose a more-than-minor cost on small businesses.

☐ Yes Calculations show the rule proposal likely imposes more-than-minor cost to businesses and a small business economic impact statement is required. Insert the required small business economic impact statement here:
