

Access to behavioral health services for children and youth

2022 Legislative Report

Appendix B. Additional data tables

Table of Contents

Section 1. Behavioral health services provided to children and youth	3
Table A. Total unduplicated number of Medicaid or CHIP eligible children and youth ages 0 – 18 in CY2021.....	3
Table B. Number of Medicaid or CHIP eligible children & youth ages 0-18 receiving any mental health services in CY2021	4
Table C. Number of Medicaid or CHIP eligible children & youth ages 0-18 receiving mental health outpatient services in CY2021.....	5
Table D. Number of Medicaid or CHIP eligible children & youth ages 0-18 receiving mental health crisis services in CY2021	6
Table E. Number of Medicaid or CHIP eligible children & youth ages 0-18 receiving mental health community hospital or evaluation & treatment services in CY2021	7
Table F. Total unduplicated number of Medicaid or CHIP eligible children ages 11 – 18 in CY2021	8
Table G. Number of Medicaid or CHIP eligible children & youth ages 11-18 receiving any Substance Use Disorder (SUD) treatment and/or detox services in CY2021	9
Table H. Number of Medicaid or CHIP eligible children & youth ages 11-18 receiving outpatient Substance Use Disorder (SUD) services in CY2021.....	10
Table I. Number of Medicaid or CHIP eligible children & youth ages 11-18 receiving Substance Use Disorder (SUD) residential treatment in CY2021.....	11
Table J. Number of Medicaid or CHIP eligible children & youth ages 11-18 receiving Substance Use Disorder (SUD) detox services in CY2021	12
Table K. Categorization of SUD and mental health services	13
Section 2. Unmet need for behavioral health care for children and youth	15
Table A. Mental health treatment rate for children & youth ages 0-17 years in CY2021.....	15
Table B. Follow-up within 7 days and 30 days after emergency department visit for mental health for children & youth ages 6-17 years in CY2021	16
Table C. Substance use disorder treatment rate for youth ages 13-17 years in CY2021.....	17
Table D. Follow-up within 7 days and 30 days after emergency department visit for alcohol and other drug dependence for youth ages 13-17 years in CY2021	18
Section 3. Behavioral health provider workforce serving children and youth	19
Table A. Managed care network adequacy metrics for child & youth-serving individual mental health providers	19
Table B. Managed care network adequacy metrics for youth-serving Substance Use Disorder (SUD) facilities..	20
Section 4. Eating disorder diagnosis, treatment, and provider	21
Table A. Total unduplicated number of Medicaid or CHIP eligible children and youth ages 0 – 20 in CY2020-2021	21
Table B. Number of Medicaid or CHIP eligible children & youth ages 0-20 with an eating disorder diagnosis in CY2020-2021	22

Section 1. Behavioral health services provided to children and youth

Table A. Total unduplicated number of Medicaid or CHIP eligible children and youth ages 0 – 18 in CY2021

Category	Number of children & youth Medicaid or CHIP eligible ¹	Percent of total Medicaid or CHIP eligible
AGE		
0-4 years	238,920	26.60%
5-11 years	340,877	37.95%
12-18 years	318,439	35.45%
GENDER		
Female	438,880	48.86%

Section 4. Eating disorder diagnosis, treatment, and provider

Table A. Total unduplicated number of Medicaid or CHIP eligible children and youth ages 0 – 20 in CY2020-2021

Category	Number of children & youth Medicaid or CHIP eligible ¹¹	Percent of total Medicaid or CHIP eligible
AGE		
0-5 years	280,660	27.83%
6-11 years	304,944	30.23%
12-17 years	294,405	29.19%
18-20 years	128,577	12.75%
GENDER		
Female	514,298	50.99%
Male	494,287	49.01%
RACE/ETHNICITY		
African American	68,253	6.77%
American Indian	69,470	6.89%
Asian	120,124	11.91%
Hispanic or Latino	316,147	31.35%
Native Hawaiian/Pacific Islander	59,470	5.90%
White	677,049	67.13%
Unknown	84,549	8.38%
Total Medicaid/CHIP Eligible	1,008,586	100.00%

SOURCE: DSHS Research and Data Analysis Division, Client Outcomes Database, and Behavioral Health Service Summary Tables, August 2022. Race/ethnicity categories are not mutually exclusive.

¹¹ Total eligible: Total number of children and youth (0-18 years) who were Medicaid or CHIP eligible for at least one month during the reporting period.

Table B. Number of Medicaid or CHIP eligible children & youth ages 0-20 with an eating disorder diagnosis in CY2020-2021

Category	Number of children & youth with an eating disorder diagnosis	Percent of those with an eating disorder diagnosis	Percent of total Medicaid or CHIP eligible children & youth in the demographic category
AGE			
0-5 years	1,559	24.62%	0.56%
6-11 years	930	14.69%	0.30%
12-17 years	2,607	41.18%	0.89%
18-20 years	1,235	19.51%	0.96%
GENDER			
Female	4,329	68.38%	0.84%
Male	2,002	31.62%	0.41%
RACE/ETHNICITY			
African American	500	7.90%	0.73%
American Indian	374	5.91%	0.54%
Asian	701	11.07%	0.58%
Hispanic or Latino	1,970	31.12%	0.62%
Native Hawaiian/Pacific Islander	209	3.30%	0.35%
White	4,917	77.67%	0.73%
Unknown	316	4.99%	0.37%
Total Served	6,331	100.00%	0.63%
